Curriculum

Ricardo Paes Mamede holds a PhD in Economics from Bocconi University (Italy), a Master's Degree in Economics and Management of Science and Technology from the Higher Institute of Economics and Management of the Technical University of Lisbon (ISEG/UTL), and a degree in Economics from the same institution. Associate Professor at the Political Economy Department of ISCTE - Instituto Universitário de Lisboa, where he has been teaching since 1999 in the areas of Industrial and Innovation Policy, International Political Economy, and Policy Evaluation. Since March 2026 he is Vice-Rector of Iscte for Internationalization and Outreach. He was President of the Installing Committee of the School of Applied Digital Technologies (Iscte-Sintra) between 2022 and 2025, and President of the Board of Ipps-Iscte (Institute for Public and Social Policies) between 2018 and 2023. Between 2008 and 2014 he was Coordinator of the Research and Evaluation Centre of the NSRF Observatory. He was Director of Economic Analysis and Forecasting Services of the Office of Strategy and Studies of the Ministry of Economy and Innovation in 2007 and 2008. Member of Dinâmia'CET (Centre for Studies on Socio-economic Change and the Territory). Research interests: structural change and economic development, sectoral dynamics and innovation, and public policies. Born in Coimbra in 1974.
