## António Manuel Corte Real de Freitas Miguel

### Integrated Researcher

BRU-Iscte - Business Research Unit

### Contacts

<b>E-mail</b>	a.freitasmiguel@iscte-iul.pt
<b>Office</b>	D5.23
<b>Telephone</b>	217650520 (Ext: 220571)
<b>Post Box</b>	280

### Curriculum

António Freitas Miguel is an Associate Professor of Finance with Habilitation at ISCTE Business School, where he also serves as the Director of the MSc in Finance program. He holds a PhD in Finance from ISCTE Business School, focusing on 'Essays on International Investments,' under the supervision of Miguel A. Ferreira. Additionally, he holds a Postdoc in Finance from Bayes Business School, London (formerly Cass Business School). He has held visiting positions at The University of Miami Business School, Florida, and The University of Sydney Business School.

With extensive experience teaching Postgraduate, MBA, and Executive programs, he has been awarded multiple times for excellence in teaching. His research interests include mutual funds and international investments. He is a research member of the Business Research Unit - ISCTE-IUL Research Centre since 2007 and the Bayes Business School Centre for Asset Management since 2008.

He has received a Post-Doctoral Scholarship and a Sabbatical Grant from the Portuguese Foundation for Science and Technology. He has also obtained research grants from the same foundation for the projects 'Performance Persistence and The Smart Money Effect in Mutual Funds - International Evidence' and 'Mutual fund management, national culture, and market integration.'

His research has been published in top tier journals, including the Review of Finance and the Journal of Corporate Finance.

## Research Interests

Mutual Funds

International Investments
