Alim A Razy

Research Interests

Currently, I have been working in a Business Development Research Project at ISCTE-IUL Business School, Lisbon, named "The INOVSTONE 4.0 Business Development and Mobilizer Project for ADVANCED TECHNOLOGIES AND SOFTWARE FOR NATURAL STONE", with a view to develop the strategy and business processes of making the Stones into smart products using the BIM Technology for the AEC (Architecture Engineering and Construction Industry), and that include all the information relevant to the Industrial Operation 4.0.

Academic Qualifications

University/Institution	Type	Degree	Period
Nova IMS - NOVA University of Lisbon	M.Sc.	Information Management	2018
Bangladesh University of Engineering and Technology	Bachelor of Science	Civil Engineering	1998
