Currículo

Rita Moura has a BSc in Psychology and a MSc in Social Psychology of Health (Iscte - Instituto Universitário de Lisboa). Her master's thesis focused on intra- and interpersonal emotion regulation among breast cancer survivors. Between 2018 and 2022, she worked as research assistant in (inter)national projects in a multidisciplinary team setting (e.g., psychology, technology). In 2020, she completed her professional internship and became a licensed psychologist (Ordem dos Psicólogos Portugueses). Since late 2021, she is enrolled in a PhD program in Psychology at Iscte. Her project Emoting with VR is focused on the areas of virtual reality, emotion regulation, and well-being among university students (funded by FCT: Fundação para a Ciência e Tecnologia). Between 2022-2024, she was also a invited assistant professor at Universidade Lusófona - Centro Universitário de Lisboa
