Research Projects

Project Title	Role in Project	Partners	Period
Emerging Energo-Geographies and Political Mobilizations in the framework of the Green Transition: An Anthropological Approach	Scholar	CRIA-Iscte - Leader, Instituto Superior de Ciências de Educação da Huila - (Angola), Kaleidoscópio - (Mozambique)	2023 - 2026

Awards

Award from the Andalusian Agency for Cooperation and Education for Development for master's theses aligned with the Sustainable Development Goals (2022)

Organization/Coordination of Events

Type of Organization/Coordination	Event Title	Organizer	Year
Member of scientific event's organizing committee	O terceiro encontro de Ecologia Política explora abordagens aos "comuns" e à "fazer-em-comum" (comunalização). Destaca ameaças e analisa respostas para preservar práticas comuns na contemporaneidade. Discute o significado político, social, econômico e ecológico dos comuns, visando contribuir para um mundo mais justo. Além disso, procura estabelecer uma ponte entre acadêmicos, movimentos sociais e projetos de autogestão, promovendo uma rede colaborativa a longo prazo.		2023 - 2024

Member of non-scientific event's organizing committee	Seminário sobre uma abordagem antropológica às políticas de proteção ambiental. A pesquisa concentrou-se em reconhecer o processo de formação das políticas ambientais no contexto espanhol e na análise da sua implementação em territórios específicos. Focando no contexto andaluz, analisamos o processo sociopolítico de formação da Rede Natural de Espaços Protegidos (RENPA), e posteriormente, as consequências e perspectivas da sua implementação, na visão dos agentes e agências envolvidos - ou excluídos - na sua criação e desenvolvimento.		2023
