### Currículo

Gustavo Aybar Camposano is a Ph.D. candidate at the Lisbon Ph.D. in Social Psychology (LiSP). His project examines how lesbian and gay people manage their sexual identity to cope with stigmatization while accounting for demographic, cultural, and social factors. Initially, he trained as a clinical psychologist and a psychotherapist working with and for marginalized groups and communities in the Dominican Republic. He also holds a joint social and cultural psychology degree with a specialization in global mobility, diversity, and inclusion.

### Áreas de Investigação

Mental Health

LGBTQ+ Community

Social Identity

Minority Stress

Cross-Cultural Psychology

Social Cure
