Curriculum

Juan A. Acebrón received the Ph.D. degree in Mathematical Engineering from Universidad Carlos III de Madrid (Spain), in 2000. From 2000 to 2012, Acebrón was a visiting Researcher at the Rome Supercomputing Center (Rome, Italy); the Department of Physics, University of California, San Diego; the Department of Information Engineering, Università di Padova (Padova, Italy); University of Alcalá (Madrid, Spain), University Rovira-Virgili (Tarragona, Spain), and Instituto Superior Técnico (Lisbon, Portugal). Acebrón is currently a Researcher at INESC-ID and an Assistant Professor at the Instituto Universitario de Lisboa ISCTE-IUL (Lisbon, Portugal), Information Science and Technology Department. His main research interests are in computational mathematics, mainly developing efficient and scalable algorithms for high performance supercomputing and random dynamical systems.

Research Interests

Applied and computational mathematics
Parallel Scientific Computing
Computational Physics
Nonlinear physics

Academic Qualifications

University/Institution	Type	Degree	Period
Universidad Carlos III de Madrid (Spain)	PhD	Engenharia Matemática	2000
Universidad Autonoma de Madrid (Spain)	Licenciate	Fisica Teórica	1994

Teaching Activities

Teaching Year	Sem.	Course Name	Degree(s)	Coord
2024/2025	2º	Advanced Computing	Institutional Degree in Escola de Tecnologias e Arquitetura;	Yes
2024/2025	2º	Microprocessors	Bachelor Degree in Computer Engineering (PL); Bachelor Degree in Computer Engineering;	Yes
2022/2023	2º	Advanced Computing	Institutional Degree in Escola de Tecnologias e Arquitetura;	Yes
2022/2023	2º	Microprocessors		No
2022/2023	1º	Fundamentals of Computer Architecture	Bachelor Degree in Computer Engineering; Bachelor Degree in Computer Science and Business Management; Bachelor Degree in Telecommunications and Computer Engineering;	No
2021/2022	2º	Microprocessors	Bachelor Degree in Computer Engineering (PL); Bachelor Degree in Computer Engineering;	Yes
2021/2022	1º	Fundamentals of Computer Architecture	Bachelor Degree in Computer Engineering; Bachelor Degree in Computer Science and Business Management; Bachelor Degree in Telecommunications and Computer Engineering;	No
2020/2021	2º	Microprocessors	Bachelor Degree in Computer Engineering (PL); Bachelor Degree in Computer Engineering;	Yes
2019/2020	2º	Microprocessors	Bachelor Degree in Computer Engineering (PL); Bachelor Degree in Computer Engineering;	Yes

Supervisions

• Post-doc Supervisions - Concluded
