Curriculum

Paulo Marques is Associate Professor in the Department of Political Economy, Iscte. He is researcher at DINÂMIA'CET-Iscte. He currently coordinates the Youth Employment Observatory and the SOLID-JOB research project (both financed by FCT). His PhD thesis was developed in the field of political economy and was entitled: "Young People and Labour Market Segmentation in Europe: An Institutionalist Perspective".

He contributes to the field of Comparative Political Economy and studies topics such as labour market segmentation and labour market policies.

His PhD thesis received two awards: António Simões Lopes Prize, awarded by the Portuguese Economics Association (Best PhD in 2016), and Manuel Lopes Prize, awarded by the Portuguese Employment Services (IEFP).

His master dissertation received two awards: Jacques Delors Prize, awarded by the European Information Centre Jacques Delors; and the Silva Leal Prize (honourable mention), awarded by the Portuguese State Secretariat for Social Security and ISCTE.

An article he published together with Isabel Salavisa in the Socio-Economic Review received the António Dornelas Prize, awarded by the Portuguese Ministry of Labour.

Paulo Marques has published scientific articles in journals such as the Socio-Economic Review, Comparative European Politics, and European Journal of Industrial Relations.

Research Interests

Comparative Political Economy

Labour market segmentation

Labour market policies

Industrial Relations

Academic Qualifications
