Curriculum

Holding two PhD degrees and two Habilitation titles, Renato Pereira specialized in Entrepreneurship, Innovation, International Business Management, and in Economic Development in Sub-Saharan Africa.

Former resident-student at Cité Internationale Universitaire de Paris, he was appointed to the Board of Directors of the private foundation in charge of managing the international campus of the French capital city, elected by a college representing 5,000+ voters from 150+ nationalities.

He has worked for different companies of the ICT cluster, including Outsystems, one of the initial Portuguese unicorns.

As Director of Inteli - Innovation Center, he has integrated the coordination structure of the Mobi.E consortium, responsible for the development of the 1st nation-wide network in the world for electric vehicle charging, and the board of directors of SGORME, the network operations management company.

For thirteen consecutive years, he was member of the Supervisory Board of Taguspark, the managing company of one of the biggest and most relevant science and technology facilities in Portugal.

He was Advisor to the Minister of Public Works, Transportation and Communications of the XVIIth and XVIIIth Portuguese Constitutional Governments.

Currently he serves as Director of the Master's in International Management of iscte Business School and as Coordinator of the Research Group in Management; previously has directed the Executive Master in Innovation Management at Iscte Executive Education and several master-level and doctoral-level subjects at both Iscte Business School and School of Sociology and Public Policy.

Previously, he served as Associate Dean for Internationalization and Research at Iscte Business School.

As Associate Professor of Autonomous University of Lisbon, he directed: the PhD program in Business Economics, the Geoeconomics Seminar of the PhD program in International Relations, the MSc program in Business Management, and the BSc program in Management, as well as several subjects from all three levels.

He has been the recipient of different research prizes and other distinctions related with his publications awarded by prestigious members of the scientific community.

He has supervised 5 post-docs, 27 doctorates and over 250 masters.

He has a long and extensive international academic experience, having taken teaching or research visiting positions in higher education institutions from Angola, Brazil, China, Czechia, East-Timor, Finland, France, Hungary, India, Indonesia, Kenya, Lebanon, Macao, Mexico, Mozambique, Peru, Poland, Portugal, Russia, Slovenia, South Africa, Spain, Tanzania, Thailand, Uganda, United Arab Emirates, United Kingdom, and Uzbekistan.

He is member of the Board of Directors of NIBES - Network of International Business and Economics Schools, in charge of Research.
