### Academic Qualifications

| University/Institution | Type | Degree            | Period |
|------------------------|------|-------------------|--------|
| Universidade de Lisboa | PhD  | Psicologia Social | 2011   |

### Teaching Activities

| Teaching Year | Sem. | Course Name   | Degree(s) | Coord |
|---------------|------|---|-----------|-------|
| 2021/2022     | 2º   | Behavior and Environment  |           | No    |
| 2020/2021     | 2º   | Behavior and Environment  |           | No    |
| 2019/2020     | 2º   | Masters Dissertation in Studies of Environment and Sustainability |           | No    |
| 2019/2020     | 2º   | Behavior and Environment  |           | No    |
| 2019/2020     | 1º   | Masters Dissertation in Studies of Environment and Sustainability |           | No    |

## Supervisions

### • Ph.D. Thesis

- Ongoing

|   | Student Name                       | Title/Topic   | Language   | Status     | Institution |
|---|------------------------------------|---|------------|------------|-------------|
| 1 | Rita da Silva Moura                | Emoting with virtual reality: The use of virtual nature to promote emotion regulation and mental health university students   | English    | Developing | Iscte       |
| 2 | Susana Maria Canelas Dias Monteiro | Território e (Des)igualdade: tipologias socioterritoriais dos municípios portugueses e o ajustamento entre pessoas e lugares. | Portuguese | Developing | Iscte       |

### • M.Sc. Dissertations

- Concluded

|   | Student Name                             | Title/Topic  | Language   | Institution | Concluding Year |
|---|--|--|------------|-------------|-----------------|
| 1 | Beatriz Carvalho Paredes Gonçalves       | The role of leadership support and social norms in spillover of pro-environmental behaviors between contexts                                       | Portuguese | Iscte       | 2021            |
| 2 | João Machado Ferreira                    | Ecological behaviours and waste management during the COVID-19 pandemic  | Portuguese | Iscte       | 2021            |
| 3 | Isa Mara Barão Guerra                    | Green spaces in time of pandemic: an approach on the influence of these spaces in a time of social enclosure                                       | Portuguese | Iscte       | 2021            |
| 4 | Susana Maria Canelas Dias Monteiro       | Beyond GDP: well-being indices   | Portuguese | Iscte       | 2021            |
| 5 | Ronisa Helena Teixeira Dias              | Relationship of school courtyards with social skills, frequency of contact with nature and connection with the nature of children.                 | Portuguese | Iscte       | 2020            |
| 6 | Maja Grünzner                            | Gaming as a novel intervention tool for conservation? The effects of the board game ?Savanna Life? on communities in the Serengeti-Mara Ecosystem. | English    | Iscte       | 2019            |
