Curriculum

Tiago Correia (PhD in Sociology/2011, Post-Doctorate in Public Health/2012, habilitation in International Health, 2023) is an Associate Professor at the Global Health Department and a researcher at Global Health and Tropical Medicine, both from the Institute of Hygiene and Tropical Medicine – Universidade NOVA of Lisbon (IHMT-NOVA). He is also an associate researcher at the CIES-Instituto Universitário de Lisboa.

His teaching and research interests include the relationships among health policies, systems, organizations and professions; medical epistemology and social theory applied to health. On these topics, he has published extensively, coordinated undergraduate and postgraduate courses, participated (as a leader and partner) in Portuguese and international research projects and networks, organized scientific events, promoted dissemination activities and provided technical advice to Portuguese institutions and foreign companies.

He is the editor-in-chief of the International Journal of Health Planning and Management (Wiley), representative member for IHMT-NOVA at the Working Group on Public Communication of the International Association of National Institutes of Public Health (IANPHI), representative member for IHMT-NOVA at the Academic Council of the NOVA University platform for sustainability (NOVA4theGlobe), technical-scientific advisor to the director for the UNESCO Science LP center, and member of the Scientific Committee of the PhD Program in International Health at IHMT-NOVA.

His pathway has been recognized with several awards and distinctions.

Research Interests

social theory

research methods

sociology of health and illness
medical epistemology
organizational studies
medical humanities
sociology of professions

Academic Qualifications

University/Institution	Type	Degree	Period
Université de Montreal Institut de recherche en santé publique	Post-Doc	Challenges for health systems in the new millennium: contrasting the public-private relationship in two welfare states	2012
ISCTE-IUL	PhD	Doutoramento em Sociologia	2011
ISCTE-IUL	Licenciate	Sociologia e Planeamento	2007

External Professional Activities

Period	Employer	Country	Description
2018 - 2018	Portuguese Institute of Hygiene and Tropical Medicine-Universidade Nova de Lisboa	Portugal	PhD in Global Public Health
2018 - 2018	Medical School of Sao Paulo, Federal University of São Paulo	Brazil	Post-Graduation in Collective Health
2017 - 2017	Catholic University- Porto	Portugal	Short-term program in Narrative Medicine
2017 - 2018	University of Lisbon	Portugal	Short-term course in Narrative Medicine
2017 - 2017	Portuguese Institute of Hygiene and Tropical Medicine-Universidade Nova de Lisboa	Portugal	Graduate Program in Public Health (included in the Medical Residency Program in Public Health)
2017 - 2018	Faculty of Medicine- University of Lisbon	Portugal	Integrated Master Degree in Medicine
Since 2016	Centre for Biomedical Law (Faculty of Law/University of Coimbra)	Portugal	Short-term Graduate Course in End-of-Life Law
2013 - 2013	International Labour Office	Switzerland	Provision of expertise on methodological techniques for quantitative and qualitative data gathering and analysis for the ILO-Swedish project on freedom of association and collective bargaining (GLO/11/57/SID)

2012 - 2012	McGill University	Canada	R&D Network 'International Research Infrastructure on Social Inequalities in Health', funded by Canada Foundation for Innovation
2008 - 2011	Egas Moniz High Institute of Health Sciences	Portugal	Sociology of Professions and Organizations, Sociology of Health
